

# It is Christmas!

by Steven Dawe

**C**  
There's a time to be quiet  
**C/A**  
A time to be still  
**G**  
Some time we're together  
**D**  
To enjoy some good will

**C**  
That time of the year  
**C/A**  
Here again oh so fast  
**Em7**  
We think of our loved ones  
**D/F#**  
And the fun of times past

**G**  
It is Christmas  
**D**  
The season of good will and cheer  
**C**  
We remember the Saviour came here

**G**  
It is Christmas  
**D**  
How the Father sent down from above  
**C** **C/A**  
The gift of His Son His expression of love  
**G**  
It is Christmas

We enjoy our traditions  
Each year as we meet  
Giving gifts to each other  
Some time for a feast

In the midst of the fun  
Our gifts pass around  
A symbol of God's love  
When Jesus came down

It is  
Christmas!
